## Common Questions about our Wellness Plan

### What is a Wellness plan?

The Riverside Dental Wellness Plan is a membership that will ensure the highest quality dental care at an affordable price, even for patients without dental insurance. Insurance companies continue to increase monthly fees for patients, decrease the amount covered, and restrict the procedures you have available under their coverage. As such, our membership plan is designed to protect and benefit our patients, offering a discounted price for all procedures, without pesky maximums or deductibles.
